Getting Care Is Easy

Step 1: Schedule your visit

Call (208) 664-6464, schedule online at hagadoneclinic.kh.org, or stop by in person starting Monday, June 29. Same-day appointments are often available, and walk-ins are always welcome.

Step 2: Come to the clinic

You'll find us at 210 E. Sherman Ave., Suite 204. Clinic hours and contact information remain the same, so you can plan your visit with confidence.

Step 3: Check in and be seen

Our team will get you registered (if it's your first visit) and guide you through your appointment. Most visits are quick and efficient, helping you get back to your day sooner.

Step 4: Stay connected

Use MyChart to view test results, message your care team, and manage follow-ups—all in one place.

When you visit, expect personal, high-quality care—at no cost to you for clinic services, lab work done onsite, and medications dispensed at the clinic.
